HOW IT WORKS

SIX STEPS FROM REQUEST TO MONTHLY INVOICE.

1 SEND THE REQUEST

The form on the program page, an email or a call: the agency, the delivery site, the units and the term.

2 GET A WRITTEN QUOTE

An itemized quote within one business day: each unit, each delivery and pickup leg, upgrades and fees.

3 ISSUE THE PO

Your purchase order, card or signed quote. Net terms, where offered, are confirmed in the written quote.

4 SIGN THE PAPERWORK

A rental agreement for a rental or lease to own; a Bill of Sale for a purchase.

5 DELIVERY

Set on a level, reachable pad in the delivery window. Rockies fees are fixed; elsewhere they are in the quote.
