SITE AND ACCESS

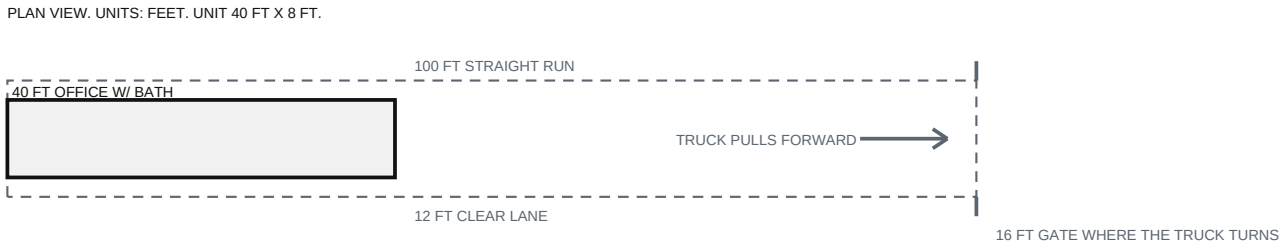

About 100 ft of straight-line truck clearance for a 40 ft unit (Rental Agreement §5.2).

A clear lane at least 12 ft wide, and a 16 ft gate opening where the truck turns.

Overhead: keep branches, wires and headers well above 14 ft 6 in; the tilting bed rises higher while it sets the unit.

A firm, level, well-drained surface, with utilities located and marked (Rental Agreement §5.2).
