## WHAT THE CATALOG LISTS

- One-trip 40 ft high-cube ISO container, 9 ft 6 in tall
- Cargo doors with a welded lockbox
- Twice the floor of a 20 ft unit

## SITE AND ACCESS

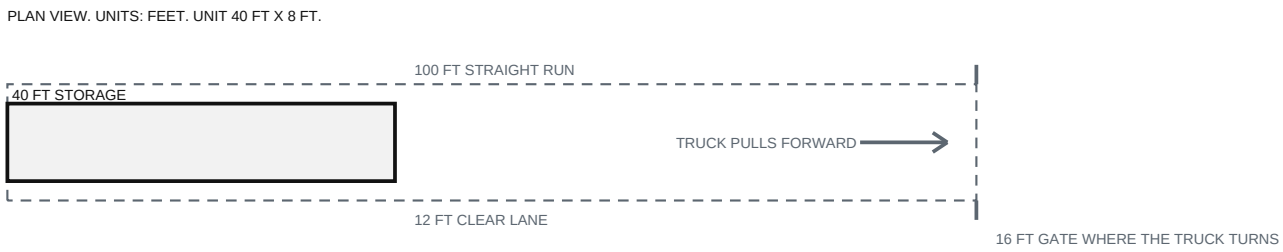

About 100 ft of straight-line truck clearance for a 40 ft unit (Rental Agreement §5.2).

A clear lane at least 12 ft wide, and a 16 ft gate opening where the truck turns.

Overhead: keep branches, wires and headers well above 14 ft 6 in; the tilting bed rises higher while it sets the unit.

A firm, level, well-drained surface, with utilities located and marked (Rental Agreement §5.2).

## PLAN VIEW AND DELIVERY APPROACH (THE DXF AND SVG ARE DRAWN IN FEET)

Not on this sheet: weights. The yard confirms them for your job — (888) 638-5658 or 970-279-1015.
